Subject: West Georgia Fence: Thank you so much!!

This is an enquiry e-mail via <http://www.westgeorgiafence.com/> from:
Heather Alley <heathernkupfer@gmail.com>

My husband and I just wanted to let you all know that we are so very happy with our fence!! Every time I called and spoke to someone at the office, they were always so helpful, nice, and patient. The gentleman that came to do the estimate was super nice and informative. The men that installed the fence were very, very nice and professional. I was home alone for a majority of the day with our 3 month old son and felt very safe. I was very surprised to see that they got the whole fence done in just 1 day and it was done right the first time!!

Thank you so much! We will highly recommend your company to any of our friends or family who are in the market for a fence!!

Thanks again!
Mike and Heather Alley
